

NZYKC Jumpers Rules 2011/2012

An NZYKC Jumpers class can be run in conjunction with any Jumpers C class at any licensed Jumpers Event. Those entered in the NZYKC class only, will run their dogs after the standard competitors have run.

NZYKC members who are also entered in the standard Jumpers C class will run in the allocated order on the call sheet. They will only run once but their run will count towards both the standard class placings and the NZYKC placings.

The host club has the option to run the NZYKC class as a separate class with the course to be set at a Jumpers C standard if they prefer.

Dogs of any grade are allowed to run in an NZYKC Jumpers class.

A dog will only be allowed to run the course twice, this may be once with the standard handler in the standard class and once with the NZYKC handler in the NZYKC class or twice in the NZYKC class with two different handlers. No dog may run more than twice on the same course.

The entry fee will be \$3 per class at both Ribbon Trials and Championship Events.

If the class is combined with a standard Jumpers C class and the competitor has already paid the entry fee for the standard class, they will not pay an additional \$3 to enter the NZYKC class.

If the club chooses to run the NZYKC Jumpers as a separate class, all entries are \$3 per run.

In all cases, the NZYKC takes \$2 per entry.

Entries for the NZYKC class at Championship Events will close at the same time as the other standard classes unless the club chooses to take entries on the day.

Only NZYKC members may enter. Entry forms are available to download from the NZYKC website www.ykc.org.nz. There will also be entry forms available on the day if the club chooses to take entries on the day.

Ribbons and prizes will be given in two age categories, “11 & Under” and “12 & Over”. Members are eligible to continue to compete up until their NZYKC membership expires following their 20th birthday.

The NZYKC will award ribbons for 1st to 3rd placings at all events and ribbons and a \$5 Warehouse Voucher for 1st place at Championship Events. As entries increase ribbons will be awarded to 5th place and prizes to 3rd place. Clubs may provide additional prizes and/or ribbons if they wish. The NZYKC will also provide Clear Round Certificates.

There are no levies on NZYKC only entries.

Any club wishing to run an NZYKC class in the North Island need to contact Libby Ellery, libbyellery@xtra.co.nz and in the South Island, sallieremon@xtra.co.nz preferably at least one month before the event so that a pack containing ribbons, CRC's, vouchers, results sheets and entry forms can be sent to the Show Secretary.
